

**format** Manual hack saw for metal sheets

Manual hack saw for metal sheets, DIN 6473, steel, painted finish, supplied without blade, thumb screw to adjust the blade tension, possibility of adjusting the blade at 90°, axial wooden hand grip.

Code	€	Blade length (mm)
N650101005	---	300

**format** Manual hack saw for metal sheets

Manual hack saw for metal sheets, in painted steel, supplied with blade, blade-tensing device integrated in the axial non-slip handle.

Code	€	Blade length (mm)
N657390300	---	300

**format** Manual hack saw for metal sheets

Manual hack saw for metal sheets, in painted steel, supplied with blade, double ergonomic bimaterial handle, blade-tensing device integrated in the axial non-slip handle.

Code	€	Blade length (mm)
N657410300	---	300

**USAG** Manual hack saw for metal sheets

Manual hack saw for metal sheets, DIN 6473, supplied with blade, in shock-absorbent and anti-slip plastic-coated steel, blade-tensing device integrated in handle, possibility of adjusting the blade at 45° and 90°, vertical hand grip.

Code	€	Blade length (mm)	Overall length (mm)
N650251005	---	300	385

**USAG** Manual hack saw for metal sheets

Manual hack saw for metal sheets, DIN 6473, supplied with blade, in steel, varnished finish, thumb screw to adjust the blade tension, possibility of adjusting the blade at 90°, vertical aluminium hand grip.

Code	€	Blade length (mm)	Overall length (mm)
N650250300	---	300	450

**format** HSS bi-metal steel blade for manual jigsaw

HSS Bi-Metal steel blade for manual jigsaw.

For machining of alloyed and non-alloyed steels.

Code	€	Length (mm)	Height (mm)	Teeth thickness (mm)	No. of teeth
A307500005	---	300	13	0,65	18
A307500010	---	300	13	0,65	24

HSS Bi-Metal

Code	€	Length (mm)	Height (mm)	Teeth thickness (mm)	No. of teeth
A307500015	---	300	13	0,65	32

**format** HSS Bi-Metal steel blade for manual jigsaw

Blade in HSS Bi-Metal steel for manual jigsaw.

For machining of alloy steel and other.

Decreasing progressive step of the teeth from 32 to 18 teeth per inch.

Code	€	Length (mm)	Height (mm)	Teeth thickness (mm)	No. of teeth
A307510001	---	300	13	0,65	32±18
