

### Comparator-holder magnetic base

Mini comparator support with permanent magnet, jointed rod with central locking and three-dimensional fine adjustment of base.

Code	€	Base dimensions (mm)	Adhesion force (N)	Radius of action (mm)
F303050005	◆	16x60x32	280	178

### Comparator holder magnetic base

Comparator holder base with magnet that can be disconnected using a key, support surface with V shape to allow anchoring on curved surfaces, red, high-strength aluminium alloy rods, central locking, universal connector for swallowtail support comparators and tracers, fine adjustment positioned on magnetic base.

Code	€	Base dimensions (mm)	Adhesion force (N)	Arms length (mm)
F302980005	◆	40x30x35	320	80/50
F302980010	◇	60x50x55	800	110/80
F302980015	◇	60x50x55	800	140/110

### Comparator holder magnetic base

Comparator support with magnet that can be turned off using a key, support surface with V-shape allowing anchoring even on curved surfaces, black jointed rods with central mechanical lock, universal connector with fine adjustment.

Code	€	Base dimensions (mm)	Adhesion force (N)	Radius of action (mm)
F303200005	◆	50x120x55	1300	637

### Comparator holder magnetic base

Comparator support (Strato-Line) with magnet that can be activated or deactivated by means of a key, prismatic base, mechanical central locking for rapid positioning, universal attachment with fine adjustment and dovetail support.

Code	€	Base size (mm)	Adhesion force (N)	Radius of action (mm)
F303930001	◆	34x30x35	300	220
F303930004	◇	60x50x55	800	310
F303930007	◇	60x50x55	800	390
F303930010	◇	75x50x55	1000	390
F303930013	◇	ø 30x25	150	210*

### Comparator holder magnetic base

Comparator support with magnet that can be disengaged by means of a key, bearing surface with V-shape, universal fitting with fine adjustment.

Code	€	Base size (mm)	Adhesion force (N)	Radius of action (mm)
F303280001	◇	70x46x65	800	180
