

Comparator support with steel table

Comparator support with hardened steel table, die-cast table top and foot, with mounting hole \varnothing 8 mm.

F305150001

F305150004

Code	€	Table dimensions (mm)	Radius of action (mm)	Max measurable height (mm)	Column \varnothing (mm)	Execution	Cross arm \varnothing (mm)
F305150001	◆	\varnothing 50	49	100	22	Fixed horizontal arm	-
F305150004	◆	60x68	100	100	22	Mobile horizontal arm	18

Comparator support with steel table

Comparator support with cast iron base, tempered and lapped precision steel table, with dust-protection slots, with assembly bore \varnothing 8 mm tolerance H7.
