

### Insert with prismatic base

Insert with prismatic base delivered in pair, to be assembled in the supports instead of the tailstocks.

Code	€	Height (mm)	Prismatic support ø (mm)
F304200005	— ◇	50/75	3-15
F304200010	— ◇	100	8-45

### Comparator holder support

Comparator support for control bench, chrome column, arm with central clamp, micrometric regulation, ø 8 mm comparator slot, H7 tolerance.

Code	€	Tips height workbench (mm)	Width cava T (mm)	Column height (mm)
F303950010	— ◇	50/75	10	200
F303950015	— ◇	100	12	240
F303950020	— ◇	150	12	440

### Granite verification plane

Black granite verification plane, precision level in compliance with DIN 876/0, lapped support surface. Features: hardness 7÷8.5° MOHS 60-70 HRC porosity 0.76% packaging: wooden crate.

**Supplied with calibration certificate.**

On request you can have the calibration report (recognized by Accredia).

Code	€	Dimensions LxPxH (mm)	Precision grade (DIN 876)	Planarity (µm)	Weight (Kg)
F451300005	— ◇	630x400x100	0	7	80
